## JP Rocks

We have had many, many, many lovely ideas from parents and children on how to decorate the outside of the school with artwork from hands, to rainbows to doves and we have decided to run a JP Rocks competition. The idea is to decorate a rock and place at the edges of our school. Hopefully we can create a path all round the edges of our school.

Take care and stay safe. Elizabeth Savage Headteacher

A huge thanks to Alison Greenwood, Sarah, Emma Akers and the various other volunteers who have co-ordinated so much of the food support for our families so far. We are swapping to vouchers— if you are in receipt of Free School meals and haven't told us your choice please email secretary@

As well as the food packages provided through Harrison's, we are also trying to maintain a small 'food bank' of our own in school for families, staff and key workers. This is there for emergencies and to allow us to 'top up' or 'tide over' when needed.

**If you need a food bank voucher let us know. We don't want anyone to be without.**

If anyone is able to make a food donation to help us refill this, it would be greatly appreciated. Donations will need to be long-life please, as we do not know when they will be needed or used. Please drop any items to us at the school office, as and when you are able. Thank you so much.
