John 10:10 Live life in all its fullness

Dear Parents and Carers,

Thank you for everyone's patience and support this week. We are now back to higher staffing levels. Since the start of term like many others we have reached 25% of staff absent but this had eased down to manageable levels. A huge thank you to Mr Page, Ms Szadowski, Ms Allen and Mrs Akers for managing the demands of supply, lunch cover and ensuring that quality lessons are still delivered. I am so proud of my team.

Today we celebrated Pause day—This had a theme of linking to understanding and tolerance of all religious and non religious world views. We did enjoy listening to the Epic World in Union. More details next week. <https://www.youtube.com/watch?v=o8TI8nhBYCE>

Another quiet week next week , but we will have our rearranged panto from the amazing M & M productions to share.

Stay well and see you on the gate

Anxiety: Understanding and Supporting your child/
young person
Workshops for parents and carers

Experiencing some worry and anxiety is normal and common in people of all ages. However, there are times when worry and anxiety can feel very difficult to manage and begins to impact on an individual's wellbeing as well as on their wider friends and family. The COVID-19 pandemic has brought many changes to our lives and for some children and young people this may have led to new worries and anxieties or added to some worries which were already present.

These workshops are designed to help you understand your child/ young person's anxiety and help you to explore strategies you can put in place to support them at home. They will also give you the opportunity to share with and learn from other parents who may be struggling with similar issues.

These workshops are open to any parent/carer who would like additional help to support their child/young person.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
