Dear Parents and Carers,

It has been a real pleasure to talk to different people on the gate this week about our revised promises—read them here if you missed it [Vision, values and aims | Jennett's Park \(bonitas.org.uk\)](#)

One of the aspects we are very proud of at Jennett's Park is our behaviour approach and record on suspensions/ exclusions. We often have visitors comment on how superb the children approach life and learning. A huge thank you to you for the part you play in the building of solid and proactively supportive relationships. It means a lot to us. Both of these new updated policies are available [here](#) to reflect the new government guidance. Two new guides to Roblox for you on our e-safety page. [Esafety | Jennett's Park \(bonitas.org.uk\)](#)

Some bittersweet news Mr Davies (LSA) has managed to get his dream job as a firefighter. We wish you well.

**Update on Strike action :** You may be aware from media coverage that the NEU have declared strike action, which will take place on 1st February onwards. The strike is happening because of a national dispute between the unions and the government over pay but also the ongoing underfunding of schools, and not because of any issues at our school.

I'm getting in touch to give you as much notice as possible that learning may be disrupted on the strike days. We're considering several options, including moving some lessons online and closing the school. **We recommend that you start to look to make alternative childcare arrangements for these dates just in case.**

I'm sorry about the potential disruption to you and to your child's education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect.

Jennett's Park Ce Primary remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching.

We are working closely with our staff union representatives to keep up to date with the situation, and I will inform you of the final arrangements as soon as possible.

Stay well and see you on the gate, Liz Savage *Headteacher*

## What Parents & Carers Need to Know about

# ROBLOX

PEGI RATING  
**7+**

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play it. As a 'sandbox' title, Roblox offers a huge amount of creative freedom: it lets players create their own gaming experiences with the Roblox Studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

### WHAT ARE THE RISKS?

#### CONTACT WITH STRANGERS

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefer and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others – such as general hostility – while predators can reach out to children directly.

#### PUBLIC SERVERS

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

#### ONLINE DATERS

These are also called 'ODers' and are quite common in Roblox. An ODER is an individual who joins a game with the intention of finding someone to date online – and eventually meet in person. Such online dating is against the Roblox community guidelines, but this usually doesn't deter ODERs. Some player-built Roblox game worlds have even been designed with online dating specifically in mind.

#### IN-APP PURCHASES

Roblox is actually free to download and play, but bear in mind that there are some hidden costs. Players are encouraged to make purchases in the game, for example, using real money. People can also buy extra Robux (the in-game currency) to spend on cosmetic items in the game, and some private or VIP servers also have a cost.

## Advice for Parents & Carers

#### SET PARENTAL CONTROLS

Roblox comes with several parental control options, which are explained well on the game's official website. It's essential to enter the correct date of birth for your child, as that allows Roblox to automatically apply the appropriate chat filters. The game also allows parents and carers to set monthly spending restrictions and monitor their child's account.

#### DISABLE PRIVATE MESSAGING

Roblox's private messaging function raises the risk of children being contacted by people they may not want to speak with – potentially leading to bullying, harassment, toxicity and scam attempts. The game allows you to disable messages from anyone who hasn't been added as a friend on your child's account.

#### PRIVATE SERVERS

If your child has some genuine friends to play Roblox online with, paying for a private or VIP server decreases the risk of contact from strangers. Even then, however, some players could invite other people – who might not necessarily be child friendly – into the private server. If your child is a Roblox fan, it's important to talk with them regularly about who they are playing the game with.

#### MONITOR SPENDING

If they don't understand they're using real money, it's easy for children to accidentally spend a sizeable amount in the game. Using parental controls to place limits on their spending will help avoid any nasty financial surprises. Ensuring that you have two-factor authentication on your payment accounts also makes it harder for your child to spend money inadvertently.

#### DEALING WITH STRANGERS

At some point in their development, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are upsetting them or asking uncomfortable questions. Talking to them about what's OK to discuss – and what they should never tell a stranger online – will help them understand how to communicate with other people online safely.

# Boccia

**On Tuesday 17<sup>th</sup> January 2023, a group of 9 children from Year 1 and 2 travelled to Easthampstead Park School.**

**They were split into 3 teams of 3, they played 8 matches of Boccia against a selection of other local Primary Schools.**

**The children worked really hard and came away with some wins!**

**The children thoroughly enjoyed themselves and it was amazing to see their team spirit throughout the afternoon. A massive thank you to all of the parents continued support as without you these sport events would not be possible.**

Dear Parents,

## **Minecraft After School Club at Jennett's Park CofE Primary School**

We are delighted to be able to offer our very popular Minecraft after school club, running from 3:30-4:30 every Wednesday from 25th January for 3 weeks.

The club is open for those aged 7+ in Years 2-6. The club is organised, administered, and supported by Mi Little Pad Ltd, an external ICT provider who deliver Minecraft clubs across the whole of England and Wales.

Mrs McAlees and Mrs Couto our staff will run this. Minecraft has an age rating suitability of 7+ so we would ask only those aged 7+ in Year 2-6 are registered. As well as completing a range of exciting educational challenges, students will have the chance to work both individually and 'join the same world' to work in teams. As an added bit of fun, students from the club will also take part in a weekly Minecraft competition where parents can vote for their favourites and points are won for the national leaderboard. 15 devices with Minecraft on will be available for the children to use. [BOOK ONLINE:](#)

The club costs £3.99 per child per session and is paid for half termly in advance. All club places are reserved and paid for online. Go to [www.milittlepad.com](http://www.milittlepad.com) to book your child's place. Any questions please contact us on 01633 383211 or [support@milittlepad.com](mailto:support@milittlepad.com) or visit the school office.

# Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do

at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not first time that Noah had tried to find dry land and so much seek strength within ourselves and from God to achieve.
