John 10:10 Live life in all its fullness

2022-2025

Dear Parents and Carers,

World of work week. Can you help? Read page 4

Gifts and talents. Everyone has one. As part of our yearly celebration of this we would like to launch our passion projects. Children love taking time to share their passions in class. Do look early for the letter here [Passion Projects | Jennett's Park \(bonitas.org.uk\)](https://bonitas.org.uk)

Reminder re dogs at the gates. Not everyone loves being near canines so please have them on a short lead and under control. If bringing to tie up, leave a few metres to the gates! Thank you for your cooperation.

Sunny weather—do please remember to read [JPCE-Sun-Safety-July-2019.pdf \(bonitas.org.uk\)](https://bonitas.org.uk) and

[WSH Family Pack.pdf \(bonitas.org.uk\)](https://bonitas.org.uk) . Please avoid sunscreens' containing nut products for the safety of those with allergies.

**See you on the gate,
Liz Savage, *Headteacher***

World of Work week

[World of Work Week | Jennett's Park \(bonitas.org.uk\)](https://www.bonitas.org.uk)

From the 13th to the 17th of June, we are planning a world of work week across the school. We are hoping this will be an exciting week of activities to enhance the children's understanding of the world of work, the skills and challenges involved and to inspire their aspirations. We would love to have some volunteers come in to share insights into their jobs; to help children see the variety of possibilities their futures could hold.

If you would be happy to come in and talk to classes across the school, please fill in this form and we will be in touch!

<https://forms.office.com/r/6vfQ21mqVz>

As part of this week, we will also be welcoming back The Happy Puzzle Company to lead problem solving and collaborative challenges across two days of workshops. For these workshops to go ahead, we kindly ask for a voluntary donation (through sQuid) of £3 per child.

Battery Hunt

We believe that to tackle the effects of climate change, we need to inspire and encourage children to care about their environment now and in the future. With over a billion batteries consumed in the UK every year and less than half recycled, we know that recycling batteries can make a real difference to our planet. The Big Battery Hunt gives our pupils the exciting opportunity to be pioneers, powering change in an exciting recycling challenge to encourage them and the wider community to recycle more batteries.

As a school, we are taking part in Duracell's Big Battery Hunt to raise awareness about recycling batteries. We would love to collect as many used batteries as we can before the 10th of June for us to recycle. We will have collection points in each class (and in the office) for your child to add their batteries to.

Please note, for the in-school collection, we are only able to accept: AAA, AA, C and D batteries.

Any batteries for recycling after the 10th of June can be taken to various collection points across the borough (most supermarkets have these).

ONLINE SAFETY FOR UNDER 5s

10 Top Tips for Parents and Carers

According to Ofcom's most recent research, a significant proportion of children are already online by the time they start school, with 17% of 5-year-olds owning their own mobile phone and 50% using messaging platforms. As becoming familiar with technology is generally encouraged in younger children – and has been essential for education during the pandemic – it is crucial that trusted adults recognise both the benefits and the risks of infants and toddlers using digital devices. We've compiled our top tips to help the under-5s start their online safety journey.

1 USE DEVICES TOGETHER

This lets you monitor and control what your child is using the device for. It also provides the interaction that supports children's understanding of what they're seeing – allowing them to ask you questions, and so on.

PARENT CODE:

6 BLOCK IN-APP PURCHASES

If your child uses a device that's linked to a payment method (such as a bank card), use the parental controls to block buys from app stores, as well as in-app purchases. That will prevent your child from accidentally spending money while on your device.

2 ACTIVATE PARENTAL CONTROLS

Most digital devices have built-in parental controls that can limit the type of content children have access to. If your little one uses any device (even borrowing yours), it's a good idea to explore what controls the device has and enable them whenever they have access to it.

7 CHOOSE SAFE APPS AND SITES

There are some fantastic apps and platforms that are specifically designed to be safer for children. Always check the PEGI age rating before downloading an app, and test it yourself before allowing your child to use it.

3 MANAGE SCREEN TIME

This can be tricky, especially if your child is interested in a certain video, app or game. Try to agree on some ground rules and get your child into a routine which includes certain times of the day when they go without devices.

8 INVOLVE THE FAMILY

If your toddler has older siblings, it's likely that their rules for device use will be different – and that they'll access content that isn't appropriate for younger ones (a particular worry if they share devices). Encourage the whole family to be good role models and help little ones stay safe online.

4 TALK ABOUT BEING SAFE ONLINE

Just like we teach children about being safe in the real world, we need to educate them about how to stay safe online. Use age-appropriate language to help them understand, and plenty of hand gestures can reinforce what you're telling them.

9 IF IN DOUBT, ASK

The easiest way to find out what your child is doing online is usually just to talk about it with them. Developing an open dialogue at an early age helps them grow up feeling able to talk to you about their digital life – providing opportunities to intervene if you're concerned.

5 SET A GOOD EXAMPLE

Children often learn by watching and copying those around them, and using digital devices is no exception. When you're around your child, try to follow the same rules that you've set for them. Let them see you balancing your time online with interacting with people in real life, too.

10 SUPPORT CREATIVE & ACTIVE PLAY

Physical and creative activities are important for a child's wellbeing, and there are plenty of ways to incorporate technology into that. For example, you could encourage games that require physical movement; dance and sing along to songs your child loves; and follow step-by-step crafting videos.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

Dear all,

This week is the Sixth Sunday of Easter. After last week's Baptism of Michael, where 2 God-parents joined us from Chicago via zoom, our service this week continues cafe style and as Reverend Carol is with us we shall have Communion. We again have a video for the Gospel reading. Please arrive from 11:00 if you would like refreshments and the service will start at 11:30. If you can help set up then please arrive at 10:30.

School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended.

See you on Sunday,

Nick
