John 10:10 Live life in all its fullness

Dear Parents and Carers,

Lots of updates this week. Enjoy our reports on Living life in all its fullness.

Attendance– as we return to more normality please be aware of these startling facts. Your child's attendance at school is an important factor on the results they may be able to achieve as they progress through their education.

Our teachers can't teach children who have not come to school! The table below shows just how much impact time off can have, the lower the attendance, the harder it is to catch up with peers. We expect children in school every day unless illness prevents this, help us to help your children and keep giving your children the best chance to succeed in school!

96%-100% attendance	Your child has the best chance of success!	Good. Your child is able to take full advantage of every learning opportunity offered to them!
90-95% attendance	Your child has missed at least 2 weeks of learning, that could be 10 literacy lessons and 10 maths lessons.	Requires improvement. Your child has missed a significant amount of learning and will have to work hard to catch up and avoid gaps in their knowledge,
85%-89% attendance	Your child has missed at least 4 weeks of learning, that could be 20 literacy lessons and 20 maths lessons.	Unsatisfactory. Your child is now at risk of underachieving. They will need extra support from you to catch up on missed work.
80%-84% attendance	Your child has missed at least 5 ½ weeks of learning, that could be around 30 literacy lessons and 30 maths lessons.	Poor. Your child's poor attendance has had a significant impact on their learning and they will find it hard to catch up. These gaps in their learning are likely to cause them difficulties as they continue their learning in following years.
Below 80% attendance	Your child has missed at least 7 weeks of learning, that is more than a whole term's worth of maths and literacy.	Inadequate. Your child is missing out on their education. They will now struggle to catch up without significant additional support from home.

See you on the gate, Liz Savage, *Headteacher*

Mini Marathon

The day before the Bracknell Half Marathon and to celebrate 5 years of the Lexicon, Get Active hosted the first primary school Bracknell mini marathon. We went to take part in a fun run around the streets of the Lexicon. We all felt really excited to be part of this

new event and it was nice to not feel the pressure of a race. However, we were a little nervous when we saw how many other runners were taking part. We all felt really lucky and proud to represent our school and to accomplish the run. It was a real honour to receive a medal and we hope this is something that can happen every year. Thank you to all the parents who supported us and to Miss Knowles for organising our team.

Queen's Green Canopy Planting Tree

Jennett's Park was chosen to be part of Ascot Racecourse's commemorative tree planting event in recognition of the Queens Green Canopy "Plant a Tree for the Jubilee" initiative. I was

delighted to go along to represent the school along with Jack from Y3 and his mum. We were taken to see the tree that has been planted in Windsor Great Park on behalf of our school and had lots of photo opportunities! It's exciting to think that "our" small sapling will one day become a mighty oak tree!

Fantastic Fred

We had the pleasure of welcoming Fantastic Fred workshops into school on Monday. The children learnt about how to keep our bodies and minds healthy through fun interactive presentations. Here is the link for the post workshop video explaining a little more about Fantastic Fred and what your child learnt,

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*
