Year 1 News

Dear Parents and Carers,

What an action packed half term we've just had!

The children absolutely amazed us with their enthusiasm and energy for our Pirate topic. They explored a variety of pirate themed books and wrote their own pirate stories in literacy lessons. They have explored famous pirates, made their own pirate portraits and looked at using treasure maps. To top it all off we had an amazing Pirate day where we got to meet a story seeker who took us on an amazing journey to explore the life of a pirate. We also wrote our own Pirate descriptions and found out our special pirate names. It certainly was a memorable topic!

To finish off the half term, we enjoyed arts week where we created canvases to show what we want our planet to look like in the future.

This half term we are very excited to go on our trip to the Lookout Discovery centre to celebrate the end of a great year together. We can't believe that this is our last half term with these children in Year 1. It is incredible to see how much they have grown, learnt and flourished over the year. We are looking forward to having another busy and fun filled term on the lead up to the summer holidays.

As always, please don't hesitate to contact us via the office if you have any questions or concerns.
