

YEAR 4

Summer Term 2 June / July 2024

READY TO LEARN?

Throughout the year, all children in Year 4 will be expected to have the following items in school *every day*.

- **P.E KIT (all items clearly named)**
- **WATER BOTTLE (clearly named)**
- **READING BOOK**

It is expected that all children in Year 4 read at home at least 4 times a week

Make sure you have a look at www.whizz.com for maths!

THINGS TO REMEMBER...

- Practice all multiplication facts up to 12 x 12
- P.E. will be on a Tuesday and Thursday so children should wear P.E. kit to school.
- Trainers should be in school every day

We hope you had a great half term. Art week was wonderful and it was lovely to spend a week thinking creatively about our lessons and really getting the opportunity to explore different forms of art.

This term our topic continues to be Ancient Greece but with a focus on geography as well as creating travel brochures in literacy. We have some awesome Greek art planned as well as some 'magical' science experiments too.

We will be having an Ancient Greeks day later in the half term and will share more information about that nearer the time.

Alongside all of this we have an amazing array of summer term activities with Sports Day, the year 6 production, moving up day and much more.

Stay safe.

Miss Connolly, Miss Whittington, Miss Yates, Miss Woodhall, Miss Flower, Miss Kettle, Mrs Cooper and Mrs Savage

YEAR 4

Summer Term 2

	Numeracy	Literacy
Week One	Revisiting units Multiplication	<u>Writing to Entertain</u> (2 Weeks) Diary of Percy Jackson before his quest
Week Two	Statistics	
Week Three	Statistics	International week writing activity <u>Writing to Entertain,(1 Week)</u> Poetry Create their own poem for a Greek Performance (tie in with making Greek Masks)
Week Four	Properties of shape Turns and angles Comparing shapes	<u>Writing to Inform</u> 1 Week Letter to my new teacher
Week Five	Position and Direction Describe position, draw on a grid Move on a grid, describe movement on a grid	<u>N.F Writing to persuade</u> 2 Weeks Holiday Leaflet about Greece. Linking to geography comparing old to new.
Week Six	Position and Direction Describe position, draw on a grid Move on a grid, describe movement on a grid	

Our topic this term is Ancient Greece. We will be making links within this topic in our Geography, Literacy and DT Lessons.

Science is working scientifically and recording our predictions and results. We are returning to consider Christianity in our R.E. lessons.

DT will be creating masks inspired by ones used by the Ancient Greeks during festivals and performances.
