## 'Welcome back' & 'Welcome to' Letter September 2024

Dear Parents and carers (and children of course),

A welcome back to Jennett's Park CE Primary. We'll send a full newsletter on Friday. I hope however you have spent your holiday you have found peace and joy and love. I've spent mine in my garden, with friends and family, cooking and cleaning and of course thinking about you and all our wonderful staff. I adored the Olympics. Such talent vision and drive! I also spent a long time in early August saddened by the division across the country seen after those three tragic deaths in Southport. I hope that others who were impacted found solace.

I'm so proud of what we achieve together. Love, aspiration and understanding weaves our diverse community together. Yet again we have had great results at the end of year in the majority of year groups and for the majority of measures! Thank you for everyone in their support of events and championing of the school.

Why do I think we do well in time where there is strife in the world? It is because we care about similar goals. By choosing our school you have understood Jennett's Park CE Primary embraces values that we call the Rainbow Promise. We know learning those values that get you the best chance to get on with their friends, family, peers and community.

## Code of Conduct

- We are quiet when others are talking
- We follow directions right away
- We let others get on with their work
- We respect each other

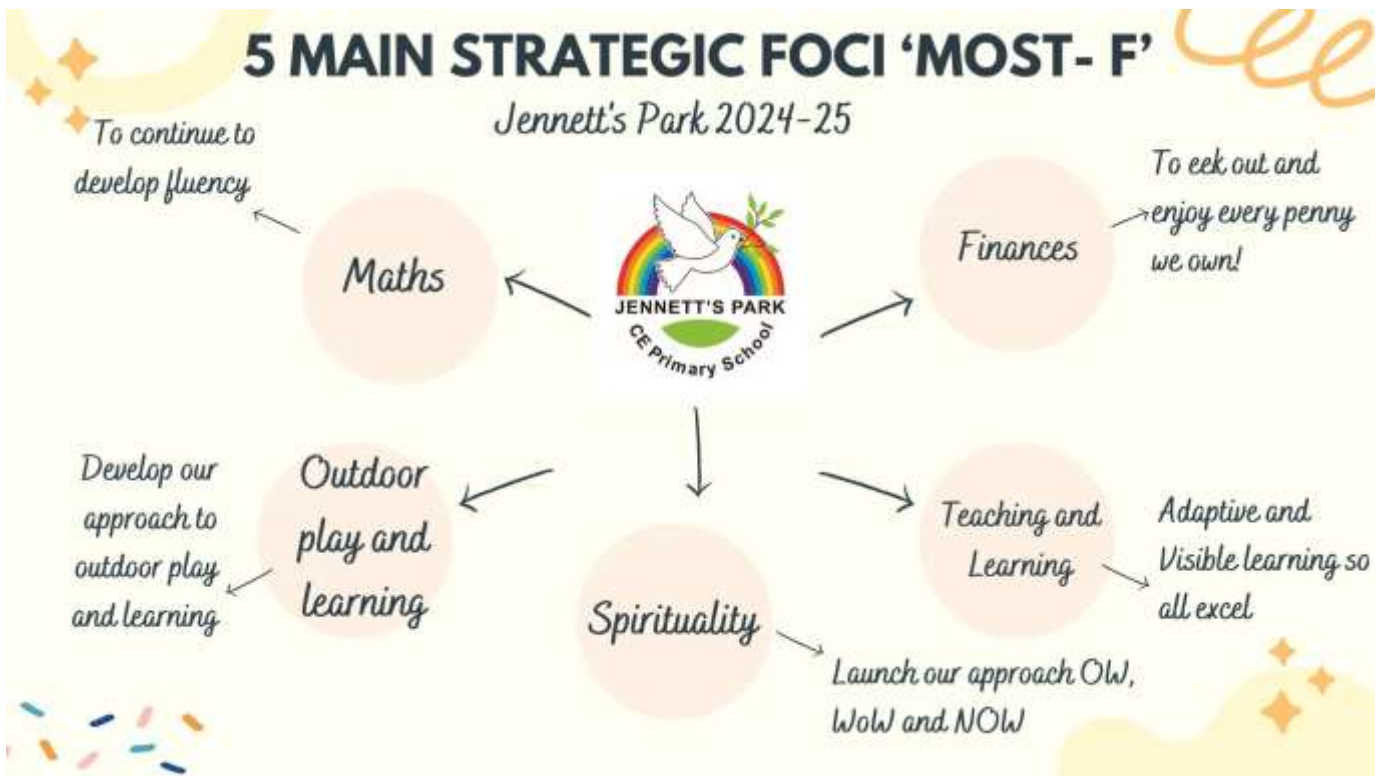

*Empowering our children  
to flourish and achieve under  
God's love  
John 10:10 Live life to all its fullness*

We also care about your children getting a great job- we call the skills you need owl learning. We want a creative and collaborative school community where we care about living life in all its fullness and not narrowing opportunities.

We care about working with you and have gathered feedback from yourselves, staff and children on where to go next. We've chosen to focus on these 5 strands this year to make things even better.

Do please contact us if you need help. We want to support you and therefore your child's journey. We have collection from doors so you can always chat for 5 minutes impromptu if needed on all days but a Wednesday when we have staff meeting. For those who work you can call our office team who'll put you in touch with someone or email in via secretary@ or for special needs via sendco@. Please don't assume it will always be the same day for a meeting though! In our wish to help everyone we have to prioritise. Mrs Thorpe our family support worker is available to help many diverse issues.

Many of you will have read about the new rules for absence (please see attached pdf for details). We cannot approve term time holidays. There is a strict set of guidelines from the government

and absence of a much lower level than previously tolerated in a term creates a necessity to talk with you about how to rectify this.

We start back this Wednesday at 8:45am and so gates will open at 8:40am. Our wraparound care of breakfast and afterschool is open from 7:15am. We end the day at 3:15pm.

So as for ways you can support your school community -

- Please read our newsletter and curriculum news. There are lots of dates that are published trying to give you as much notice as possible. We love seeing you.
- Please attend our wraparound care before or after school. School clubs will be published next Friday.
- Please buy a lunch with us- especially on census day.
- Please consider volunteering and applying for a DBS with us to help either to the PTA, the governing body, in school or on trips or even if you have ad hoc corporate days with your team. We cherish your time! We are especially interested in reading or maths buddies, cooks, artists, gardeners or librarians.
- Please tell others about us.
- Please let us know if you need help.

Key dates so far for the Autumn term, including a set of welcome and meet teacher assembly dates, will be in this Friday's school newsletter. Our PTA hosts it's AGM on Tuesday 17<sup>th</sup> September at 5:30pm in the staff room. If you would like to be involved with the PTA, please do come along and join us!

Lastly, I want to end with the most important thing of all -thank you to you our lovely community but also our wonderful staff and governors. I am so proud of our teamwork and my staff's dedication.

Yours sincerely,

Liz Savage  
Headteacher of Jennett's Park CE Primary
