Year 5 Residential 2025

Dear Parents and Carers,

We are very pleased to announce that we will be holding a Year 5 one-night residential this year. We are currently making the final arrangements for the trip, and hope to give you plenty of information to inform your decision.

The date of the Year 5 residential will be 19th May 2025 – 20th May 2025 with a cost of £131.76 per child. This amount represents excellent value for the quality of the experience the children will have, and covers the cost of accommodation, bedding and meals for the two days of amazing activities at Oakwood Climbing Centre. All we ask from you is that you drop your child to Oakwood Climbing Centre on the 19th May at 9:00am, and that they bring a packed lunch for the first day.

The children will be provided with sleeping arrangements: either in the dormitories, or in the 'activity tents', and will have a full two days of activities, where they can develop their perseverance, independence and self-challenge. The girls will be staying in the dormitories, and the boys will be staying in the activity tents. Please pack your child with **WARM BEDDING** (blankets, duvets etc), as – depending on the weather – the tents and the dorms can get cold at night time, and we want to make sure your children get the best sleep possible.

Oakwood Outdoor is a leading residential activity centre in Wokingham, welcoming thousands of children each year. Their centre provides a rewarding and thrilling programme of outdoor and indoor adventure activities, with secure and controlled residential accommodation. Residential courses organised by the school are an optional, but invaluable part of the National Curriculum. Pupils benefit hugely from the experience, both educationally and socially and we feel certain that the trip which we have chosen this year will prove to be both enjoyable and very worthwhile.

Payment can be paid in full, or in instalments via sQuid. Please note all payments are non-refundable and you are committing to paying the balance once your child's space has been secured.

- £30 by 31st December 2024 to secure your child's place
- £50 by 1st February 2025
- £51.76 by 1st March 2025

Should you wish to discuss anything in regard to payments for the visit, please do not hesitate to contact us. Similarly, if you wish to discuss financial help for the costs, please contact us via the office.

Yours sincerely,

Miss Picton & Mrs Venediktou

Schools

Residential

What experience does Oakwood have working with schools?

At Oakwood we have been working closely with local schools for the past 20 years and have built up strong relationships. These relationships have allowed us to continually improve the outdoor activity sessions we offer to incorporate school projects, goals and individuals' development. This desire to improve and work with schools to achieve their particular aims brings many schools back time and again to Oakwood.

What are the accommodation arrangements like?

We have 10 comfortable dormitories which sleep up to 6 people in 3 sets of bunk beds. The rooms are arranged on two separate corridors of four rooms each with two separate rooms on the end of the block. Schools often have separate corridors for boys and girls with teachers using the end rooms. Please view our Dormitory plan.

We have another building called the range comprising of 2 bedrooms each sleeping 4 people (2 single beds + 1 bunk bed in each room) both rooms with own ensuite. The range also has its own small lounge area with sofas.

In addition to this we also offer Adventure Tents for larger groups visiting during the summer months. The Adventure Tents have separate toilets and showers.

Do we need to bring bedding?

Sheets are provided on all the beds, we advise people to bring their own duvets/sleeping bag and pillows but these can be provided at a cost of £6 per person per visit.

Are the bedrooms ensuite?

Yes, all of our rooms have modern ensuite bathrooms, including showers.

What is the food like?

Breakfast, lunch and dinner are served in our dining room and the food is chosen with health and nutrition in mind. We can also cater for children with dietary or religious needs if we are informed in advance.
