

Year Group - 4	Term - Spring 1	Educating for Wisdom, Knowledge and Skills	To help grow resourceful, resilient and reflective children who are equipped with the skills, knowledge and tenacity empower themselves, their learning throughout their lives.	
Name of Unit Overview – <h1 style="text-align: center;">Romans</h1>			Educating for Hope and Aspiration	To inspire and enrich lives beyond current opportunities and experiences in order to open minds to the potential their future holds
			Educating for Community and Living Well Together	To be a multi-cultural, inclusive community of individuals loved by God who feel valued and involved where we create qualities of character to enable people to flourish.
			Educating for Dignity and Respect	That children might know how much that they are loved and valued by so that they might show dignity and respect for themselves and others by carefully and safely thinking through their actions.

Context, Big Questions and Wider World impact

- ✓ To immerse the children in quality texts and inspire imagination and creativity
- ✓ What did the Romans do for us?
- ✓ What aspects of our life today are influenced by Ancient Rome?
- ✓ How did the Roman Empire rise and fall?
- ✓ How did the Roman Empire change Britain?

Subject specific learning areas

Science		Suggested journey of the unit
<p>Prior learning and where the objectives are revisited later in the year.</p>	<p>Key year group learning</p>	
	<p style="text-align: center;">Can we?</p> <ul style="list-style-type: none"> • Explain eight life processes • Identify vertebrates by their similarities and differences • Describe the characteristics of invertebrates and identify invertebrates in the local area • Create a classification key • Recognise positive and negative changes in the local environment • Consider environmental changes and their impact on endangered species 	<p>Week 1</p> <ul style="list-style-type: none"> - Literacy – Non-Chronological Reports (Roman Life) - Topic- introducing the Ancient Romans - Art – Researching Roman Mosaics - Science – the eight life processes <p>Week 2</p> <ul style="list-style-type: none"> - Literacy – Non-Chronological Reports (Roman Life) - Art – Researching Roman Mosaics - Science – identifying vertebrates using their similarities and differences

Humanities – History		
Prior learning and where the objectives are revisited later in the year.	Key year group learning
