Dear Parents and Carers,

It is Safer internet day Tuesday 11th February [Online-Safety-Newsletter-Feb 2025 SID](#) The theme is: Too good to be true? Protecting yourself and others from scams online.

Children's Mental health week—
[Wellbeing | Jennett's Park](#) Some great advice here on conversation starters!

Remember it is free to enrol on National College for our school: <https://v2.nationalcollege.com/enrol/jennett-s-park-cofe-primary-school>

We realise our pulse survey was not linked in our latest newsletter. Sorry for any confusion.

Please help shape future provision by answering these 5 questions on wraparound care.

Update on sQuid / Parent apps

We currently use sQuid for trips, parent communications and managing our lunch purses (for children in Y3-6). We are writing to inform you that sQuid will no longer be in use from 13th March onwards. Following a significant change in their payment system, they are withdrawing their services and we are working hard to source a replacement.

While we predict this may cause some minor disruption, we want to assure you that we are actively working to implement a new and improved app that will better serve the needs of our school community.

What does this mean for parents?

Refunds: sQuid are responsible for returning any unused money in your catering or trips account. We are waiting to hear if they will require an email requesting a refund or if this will be carried out automatically. We will update you when we know more, including a planned 'switchover' date.

Debtors: There are minimal accounts in arrears as you should prepay for lunch. But if your catering purse has arrears please do make a payment to level your account before this debt is passed on.

Reducing our apps: Hooray! One positive from this change is the shared desire to reduce the number of apps we use (think: parents evening, communications, trips, catering etc)

Communication: Things might look a bit different for a short while, please bear with us and we will do the absolute best that we can to get the important messages to you in a sensible fashion.

Our goal is to provide a user-friendly platform for communication, updates, and resources, and we are committed to selecting an app that enhances your experience as parents and guardians. In the coming weeks, we will share more details regarding the transition and provide information on how to download and navigate the new app.

We appreciate your understanding and patience as we make this transition. Should you have any questions or concerns, please do pop into the office and hopefully we will have an answer for you. Once our replacement system has been secured, we will certainly offer some parent training sessions to help get started.

Thank you for your continued support of our school.

Office Manager

SCL Holiday Clubs are coming to Jennett's Park Primary School!

We are proud and excited to announce that SCL will be running our holiday clubs at Jennett's Park Primary School moving forward!

We're delighted to bring this fantastic service to the community, providing fun, engaging and active experiences for children during the holidays.

Who We Are

SCL Active is an Ofsted-registered provider with over 20 years' experience in delivering high-quality, active childcare. Our expert team is dedicated to creating exciting, educational, and energetic experiences designed to help children have fun, learn more, and move more.

Our Approach

At SCL, we believe in learning through activity. Our unique Fun, Learn, and Move philosophy ensures that every child stays active, engaged, and inspired throughout the day. From sports and games to arts, crafts, and creative adventures, our themed sessions provide a dynamic and enriching environment where children can develop new skills, build confidence, and make lasting memories.

 **We'd love your feedback!**

Please take a moment to fill out our questionnaire.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the

earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.
