

Aria, Omari and Lily are coming to Nursery at Jennett's Park CE Primary School

What happens when I get to Nursery?

Jennett's Park is a kind and loving place where everyone cares for each other.

We use Owl Learning Behaviours which are:

- Collaboration
- Pride
- Independence
- Managing Distractions
- Optimism
- Challenge
- Perseverance

When you come to Nursery, your grown-up will bring you to the Nursery gate, where your teacher will be waiting for you.

You will hang up your coat on your own special peg in the cloakroom.

You will then do an activity together. Omari and Lily are playing with toys in the sand tray and are making friends.

"Hello, my name is Lily,"
Lily says.

"My name is Omari,"
Omari says.

When are you coming to Nursery?

What will I do in Nursery?

All of the activities are lots of fun and you will learn as you play. You will soon get to know the other children in your class and make friends.

Omari has drawn a picture. He is very proud of what he has done.

Aria is reading a book about rainbows in the Story Corner. She loves the comfy cushions and is able to concentrate on what she is doing.

"I didn't know there would be so many lovely books at Nursery," she says. "I am going to look at them all!"

Lily and Aria are working together to complete a puzzle.

Omari and Lily are playing with toys in the sand tray.

Aria wants to join in.

"Can we make a garden for the castle?" she asks.

"That's a great idea," Omari says. "Come and play with us."

What games do you like playing with your friends?

What happens if I am hungry or thirsty?

You will always wash your hands before you have anything to eat.

At snack time, you will have a snack of fruit or vegetables and a drink of milk or water. You can sit with your friends.

"I love snack time," says Aria.

"Me too. I like apples the most," says Lily.

"My favourite fruit is apple too!" says Omari.

When it is lunchtime, some of you will go home and some of you will stay in the classroom to eat your lunch that you brought in your lunchbox.

Your teachers will be there if you need help.

Everyone sits with their friends to eat their meal.

"My daddy has packed my favourite sandwiches," Aria says.

What is your favourite meal?

What happens when I need to go to the toilet?

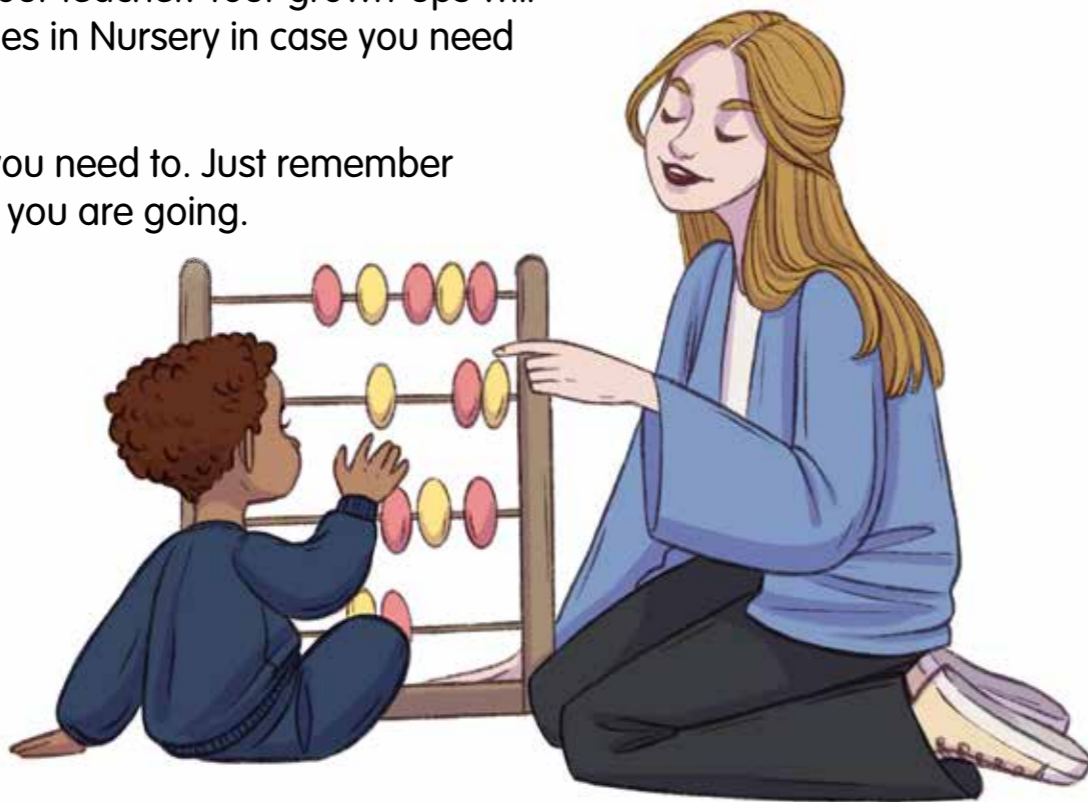

You will go to the toilet by yourself. If you need help, or have an accident, tell your teacher. Your grown-ups will leave some spare clothes in Nursery in case you need them.

You can go whenever you need to. Just remember to tell your teacher that you are going.

“Please, may I go to the toilet?”

Omari asks.

“Yes, Omari. Thank you for asking so nicely,” his teacher says. **“Let me know if you need any help.”**

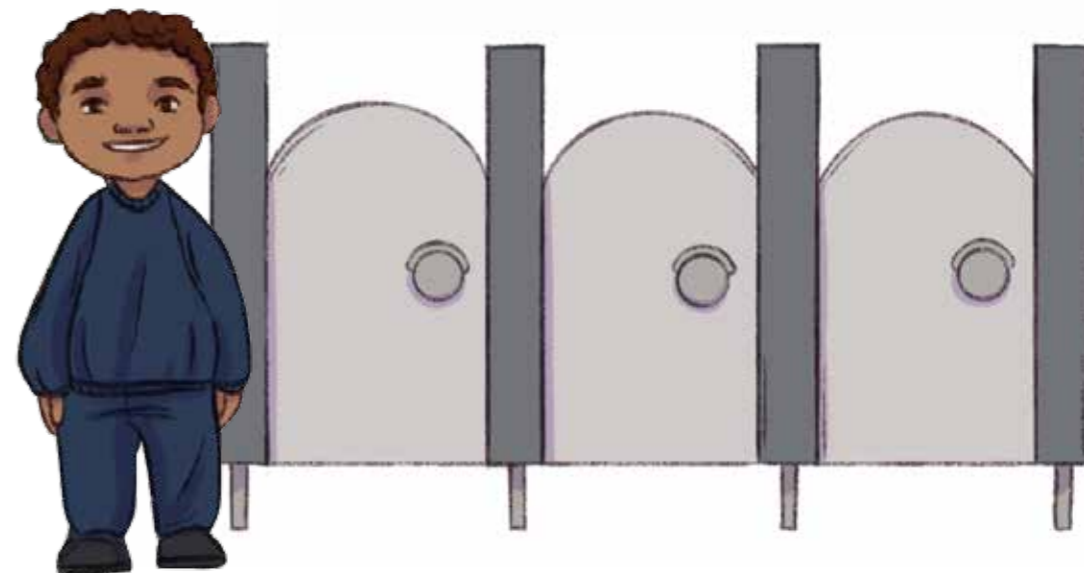

When you use the toilet, you will see that everything is just the right size for you and it is easy to use.

When you have been, remember to flush and then wash your hands with warm water and soap so they are nice and clean.

Omari is very proud that he can go to the toilet all by himself.

Can you use the toilet by yourself?

What happens at the end of the Nursery day?

At the end of the day, you will sit down with your friends and listen to your teacher reading you a story.

You may also sing songs. Today the children are singing **'Old Macdonald'**.

"And on the farm, he had a dog," sings Lily.

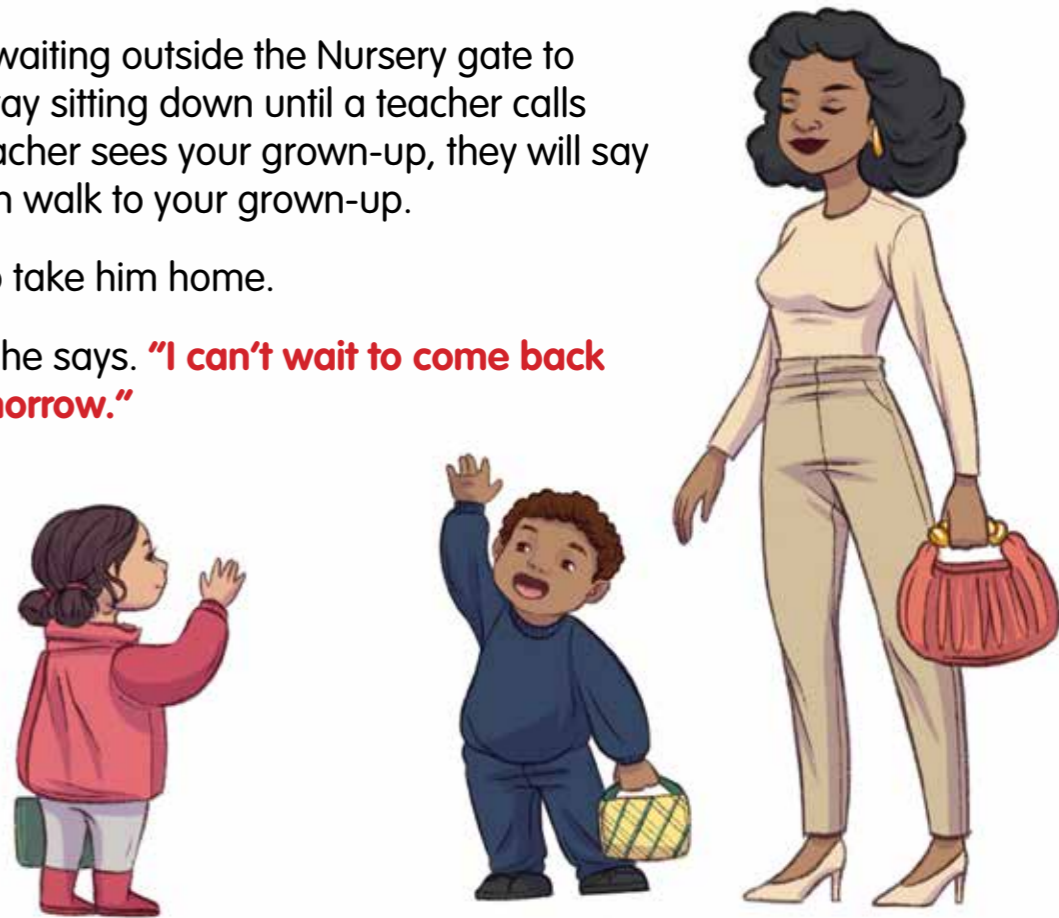

When it is time to go home, you will collect your coat and water bottle and belongings and wait in your classroom.

Your grown-up will be waiting outside the Nursery gate to collect you. You must stay sitting down until a teacher calls your name. When a teacher sees your grown-up, they will say your name and you can walk to your grown-up.

Omari's mum is here to take him home.

"Goodbye everyone," he says. **"I can't wait to come back and play with you tomorrow."**
