Dear Parents/Carers,

## Sir Teachalot Experience Day

We are very excited to offer Year 2 children an in-school experience day to build on our current topic Castles.

This experience will consist of a medieval knight to run a workshop to teach the children and help them learn about life in the time of knights and castles. There will be the use of artefacts, drama, roleplay, dressing up and storytelling to bring history to life.

The children will have the opportunity to do jousting safely at targets, building a large woodblock castle to learn all its defensive features before assaulting and destroying it with a trebuchet.

We are very excited for this upcoming opportunity for the children to really immerse themselves to end our topic on Castles.

The children will also sit and have their lunch in the style of a banquet and have many opportunities to understand the life in medieval times.

The cost per child is £9.81 and this is payable via ParentPay. We ask that all payments are finalised by Friday 28<sup>th</sup> March 2025.

The offer will be open for your payment on your ParentPay wallet. Please come and see the team in the office if you have any issues at all.

If we are unable to raise the funds then sadly we will not be able to go ahead with the event as planned.

Kind regards,

Mrs Lant, Mrs Clarke and Mrs Craddock
